TRINITY PRIMARY NEWSLETTER

Dear Trinity families,

Please remember that next Wednesday is our individual school photos so please make sure you come to school with your best smiles!

We would also like to invite our parents and carers to an exclusive open morning at Trinity Secondary. This will be a tour of the secondary site exclusively for primary parents and an opportunity for you to ask any questions you may have regarding the transition into the secondary phase. This will be on Tuesday 4th December at 9.15am for a 9.30am start.

As ever, I wish you the very best of weekends full of rest and fun, ready for learning on Monday.

Darren Janes

Head of School
Primary Phase
Trinity all Through School

TRINITY ALL THROUGH SCHOOL: LEARNING, LOVING, LIVING

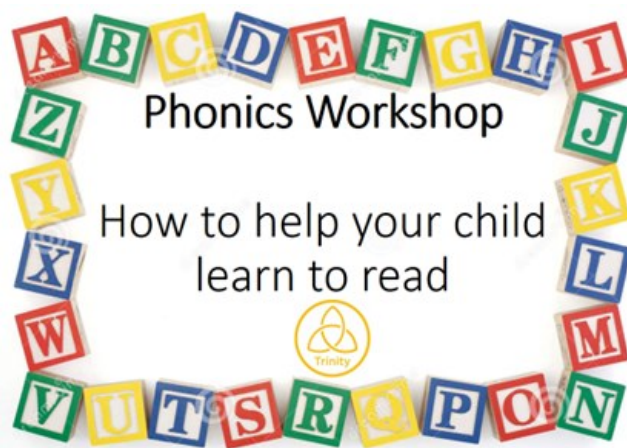

Individual Photos

Please remember that the children will be having their individual photos on **Wednesday 21st November.**

Please remember that even if it is your PE day, you will need to come to school in your school uniform.

EYFS Phonics Drop In Morning—Friday 30th November at 9.15am

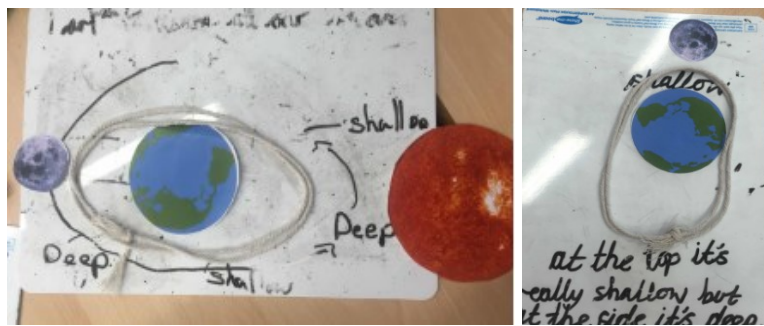

We would like to invite all of our Reception parents to an open morning on Friday 30th November.

This will be an opportunity for you to come in and participate in a range of phonics activities with your child and see how reading is taught at school.

We look forward to seeing you there.

Year Five Make Some Waves!

Year 5 used models to represent how our tides change according to the position of the moon. They're able to explain when Spring Tides appear and how the gravitational pull of these celestial bodies effect the tide.

An inspiring visit from an Engineer!

KS2 were inspired by a visit from a Fellow from the Royal Academy of Engineering: Trevor Gill. Trevor explained how engineering impacts the world, from building bridges and life-saving machinery, to helping send rockets to space and creating technology such as iPads and phones. It was wonderful to see the children's realisation and enthusiasm about how they can turn their love of Maths, Science, creativity and problem solving into an exciting future career! They had so many questions for Trevor and we have no doubt about the plentiful amount of budding engineers in our Trinity family.

Children In Need: Pyjama Day!

Today we helped support Children In Need by coming to school in our pyjamas! We were all extremely comfortable all day long while helping raise lots of money for this worthwhile cause.

Testing the hardness of rocks!

Year 3 have been continuing their investigation to find out what would be the best rock to make a statue of Mr. Janes! This week we focussed on the hardness. We performed three tests on each rock and the variable was our own choice of materials to rub the rock against. We kept it fair by choosing a consistent amount of rubs and recorded our results before writing our conclusion.

Date:	Time:	Event:
21/11/18		Individual Photos
30/11/18	9.15-10.15	Reception Phonics Workshop
30/11/2018	1:45pm pick up	Half day - INSET
