TRINITY PRIMARY NEWSLETTER

Dear Trinity families,

It was fantastic seeing so many of you at our parents' evenings this week. It is so very important that we all work together to ensure our children fulfil their potential. There are still some parents who were unable to make their appointments. Your child's class teacher will be in touch over the course of next week to ensure they have met with you to discuss your child's learning.

A reminder that there are a number of events for parents coming up, including a PAFT meeting, harvest festival, phonics parent workshops and our annual men's curry night. Please see overleaf for more detail.

As ever, I wish you the very best of weekends, full of rest and fun, ready for learning on Monday,

Darren Janes
Head of School

Phonics Workshop

Thursday 12th October
2.30- 3.30pm

Helping your child with their reading can be very difficult, especially if you weren't taught to read phonetically yourself.

This workshop will be an introduction to phonics and how we teach children to read in school.

There will be a chance to ask any questions you may have, take part in some activities and take home some resources to help.

If you have any questions please come and find either Miss K or Miss Apsey in the playground.
