

## ABOUT US

We are an all-through Church of England School, outward looking and forward thinking. The Three Strands of our Ethos are:

**Learning** – we are a Learning Community with high academic standards

**Loving** – we belong to a Loving family which includes pupils, staff, parents and governors

**Living** – we are living good lives and we seek to serve those in need within our wider community.

At Trinity, we welcome all faiths and none. We are a family, striving for its members to fulfil their potential, preparing them to take their place as citizens of the wider world.
