Executive Headteacher :
Mr David Lucas BSc (Hons) MA NPQH

Dear Trinity Families,

Year 10 Exam Timetable Friday 20th November – Thursday 26th November

Please find on the reverse of this letter the exam timetable for Year 10 pupils for the first examination period of this academic year. Examinations will take place from **Friday 20th November – Thursday 26th November** and will cover anything they have learnt throughout their GCSE course to date. In order to emphasise the importance of constant and ongoing revision towards academic success, it is increasingly important that pupils, throughout their time at school, become familiar with the process of taking exams as there is no longer coursework or controlled assessments to be able to gain marks outside examinations.

The Year 10 students are now over a year into their GCSE journey and will be directed towards a wide variety of revision materials by their subject teachers, along with their knowledge organisers, to prepare themselves to perform well. Please do ensure that your child is working every night on the retrieval practise techniques that have been shown in Family Groups which include: creating quiz questions, creating and using flash cards, creating mind maps and other techniques shown on in the knowledge organiser booklet. Revision materials are also available on TEAMS to download for each subject to ensure students are fully prepared for the exam period.

During the examination week, pupils should attend school promptly with all the necessary equipment in a pencil case including a calculator if needed in the calculator Maths exam. It is crucial that the highest standards of attendance and punctuality are met during the exam period so please do ensure that your child is on time for school and fully equipped and ready for their exams. The results of these exams will be reported to you and your child before the Christmas holidays together with the termly report on behaviour and attitude for learning.

Thank you very much for your continued support to help your child achieve their academic potential and I am sure that with revision and hard work your child will get the grades they deserve.

Yours faithfully

Mr S. Tarca
Year 10 Progress Leader

LEARNING — LOVING — LIVING
