Dear Trinitarians, Parent(s) and Carer(s)

PERIPATETIC INSTRUMENTAL LESSONS

I hope you are well in these unprecedented times and engaging in lots of musical activities! Looking ahead to next academic year, we would now be contacting Year 6s in regards to beginning instrumental lessons.

At this time, we are still uncertain as to when exactly this will be able to recommence as well as what it will look like, but in order to be fully prepared, we would still like you to complete the attached application form if you wish your child to have private instrumental lessons.

Pupils undertaking instrument lessons are valued contributors to the school and their commitment to this often leads to them taking up opportunities to demonstrate their musical skills in live performances for Trinity.

Trinity Music Department offers a unique opportunity for its pupils to learn a musical instrument at an extremely attractive cost.

Throughout the school year, 3 series of 10 lessons will be given during the school day, by a team of highly respected professional musicians – something that few schools in the area can offer! This is a series of TEN 20-30 minute lessons, on either a shared, group or individual basis at the cost of £75-£150.

There are a few instruments available for hire from the school at a cost of £15 a term, paid via parentpay; this is a fantastic opportunity for beginners to get used to the instrument before purchasing their own.

If you would like your child to begin or continue their lessons in January, then please fill in the reply slip and return it to the secondary reception or email to Mrs Lowe (see below) by **FRIDAY 10TH JULY 2020** to reserve your child's place. Your details will then be passed on to the appropriate Peripatetic music teacher, who will be in contact with you regarding payment.

Please also read the Peripatetic Instrument policy which can be found on the school website and tick the box stating your agreement to these terms.

Yours sincerely

Mrs Ruth Lowe
