## TRINITY PRIMARY NEWSLETTER

Dear Trinity families,

We have another half term packed with exciting school trips for our children to look forward to. Reception classes will be visiting Godstone farm and Lewisham library; Year One will be embarking on a trip to Horniman Museum; and Year Two will be visiting the Florence Nightingale Museum. We feel passionately at Trinity that learning outside of the classroom is one of the most enriching experiences we can give children in their education. If you are available to help on any trip then please see your child's class teacher.

As always, I wish you the very best of weekends, full of rest and fun, ready for learning on Monday,

**Darren Janes**

**Chick update:**

I am sure that everyone will be pleased to know that the chicks who hatched in our Reception classes have been given new, comfortable homes where they will go on to live long, happy lives. Miss Renee, who is one of our Mid day Meal Supervisors, has taken the female chicks to live with the chickens she already owns and has organised for the males to be housed at Whitby Wildlife Sanctuary. Although they will live elsewhere, they will always remain part of the Trinity Family...

**Jumpers:**

Now that the weather is becoming warmer outside, children are more and more likely to take their school jumpers off whilst they are outside during playtime.

Because of this, we are giving you a reminder to ensure that your child's school jumper has their name in it.

We are also asking that you check any jumpers you have at home to ensure that you only have the uniform that belongs to your child! If you have something which doesn't belong to you then please send it in with your child and return it to the office.

Year Two display their drama skills whilst learning about the Crimean War. Above right, we see a caring Florence Nightingale healing the troops and above left we see how smelly the conditions were!

**Dates for your diary:**

**Fix up, Look Sharp:**

Next Friday, we will be having class photos taken. We are using the same company which took our individual photographs earlier this year and have all of the feedback forms you kindly filled in to share with him prior to the day. This will mean that your opinions will influence the way our class photos turn out. We will of course ask for feedback once again after the class photographs to see if we continue with Stay Cheese Please.

**A Message from Miss K:**

*'Stay and Share' Sessions*

This term Ms Griffiths and myself will be running 'stay and share' sessions in which we will be inviting parents to come and work with us for an hour making a resource that you can then use at home with your child. We will be looking at resources that help children with their reading in an active way, maths resources that can be used all over the house and fun ways to get your children writing at home! We will be providing all the resources and each week you will go home with something new to help move your child's learning on. Look out in future newsletters for dates or speak to me in the playground.
