Dear Trinitarians

I hope you have all had an amazing week. It has been very wet this week, but this has not put any dampeners on our activities. Our Year 11 have just finished their final major public exam. There are 3 small exams early next week finishing off the public exam season. Our year 1 pupils have all just finished their phonics screening as well – this was kept low key for the pupils and they were terrific as usual. This week our amazing Trinitarians have been looking at food chains, learning about different vegetables and cooking using these same vegetables. We have had a group of pupils take part in several Architecture workshops and visit London's famous food markets. A bit of rain will not stop us!!

On a day when Extinction Rebellion Lewisham swarmed key roads around our school we do need to reflect on the message given. The protests did cause disruption to routines across the borough, on a day of Public Exams, which aimed at making the local community wake up to some bare facts. The advance warning did help us set up several different interventions, working with all secondary schools in the borough, to ensure our pupils' exams were not affected by the protests. All evidence suggests that the global climate is changing. Global warming means a warming of the Earth's temperatures, and is caused by the enhanced greenhouse effect. Pollution of the atmosphere with carbon dioxide and other greenhouse gases has given the natural greenhouse effect a boost. By 2012, floating sea ice in the Arctic had shrunk to less than half the amount in 1979. That is scary as it is happening within our life time – what changes might occur in the life times of our children? Climate scientists do not know exactly how global warming might affect the planet. All they can do is try to estimate future changes. They estimate that by 2100: temperatures will rise between 1.1 and 6.4 C; sea levels will rise by between 30cm and 1 metre. These changes will have an impact on the global climate system, world biomes and local ecosystems. What can we do to stop this? Locally Lewisham's major commuter roads have 6 times the World Health Organisation's recommended 'safe' levels of pollutants. On the way to school we are all breathing in this affected air. We can all make a difference – if everyone acts on this information we can actually improve the air quality. Please do think about your travel to and from school – walking is better for the environment and our health. Public transport also supports better air quality. This is a great topic for discussion over this weekend – what other suggestions can we all come up with?

I hope to see many of you at the summer fair tomorrow (Saturday 15th June 2019) from 12pm to 3pm at our Leahurst Road site. Please do come along and help the school raise funds whilst having lots of fun. Lots of the staff, pupils and parents are giving up their time to ensure everyone can have some fun. I wish to thank the amazing PAFT team for their huge amounts of planning – it will be tremendous event.

# PRIMARY PHASE

Dear Trinity families,

We all have our fingers crossed here in the Primary Phase that the sun will be shining tomorrow for our annual Summer Fayre! I look forward to seeing as many friends and families there as possible.

In learning this week, it was fabulous to see all of our pupils dressed up as part of Immersive History Day. The pupils were fascinated whilst learning about the history of our school – from it's opening as a boarding school in the Victorian times to spotting the fireplaces which can still be seen in every classroom today. Have a look at the blog to see what each year group have learned.

Our reception classes were caught 'clowning around' this week – but for good reason, as they had a fabulous circus workshop. The pupils learned all about teamwork whilst perfecting their plate spinning and juggling skills.

I had the pleasure of having a mouthful of some of the learning in Year Four this week too. Both classes created Caribbean sweet potato cakes as part of their 'Cruising the Caribbean' topic. I must say they were delicious and perfectly spiced! Next week, our Fun Friday will be Spanish day, during which pupils will be learning all about different regions which are Spanish speaking. I cannot wait to celebrate Latin culture and learn some new language skills along the way!

As ever, I wish you the very best of weekends, full of rest and fun, ready for learning on Monday.

## THE CIRCUS COMES TO TRINITY!

This week reception had a visit from a circus workshop. We had so much fun doing lots of different circus activities!

## IMMERSIVE HISTORY DAY

Today was our first ever Immersive History Day here at the Primary Phase. Each year group were assigned a decade between 1940 and 1990. Pupils dressed in fashionable items from their given time and learned lots about key events during that time.

## CARIBBEAN SWEET POTATO CAKES IN YEAR 4

Year 4 have made Caribbean sweet potato cakes with jerk sauce. They were *so* delicious and we think we'll all be making them again at home!

## CHAPLAIN'S CORNER By Reverend Juliet Evans

*When the day of Pentecost came, all the believers were gathered together in one place. Suddenly there was a noise from the sky which sounded like a strong wind blowing, and it filled the whole house where they were sitting. Then they saw what looked like tongues of fire which spread out and touched each person there. They were all filled with the Holy Spirit and began to talk in other languages, as the Spirit enabled them to speak. Acts 2:1-4*

On Sunday the church celebrated the Feast of Pentecost, when we celebrate the coming of the Holy Spirit and the birthday of the church. In worship we remembered that the Holy Spirit is God all around us, that God is everywhere. We also thought about how the Holy Spirit is power and how we can be empowered with God's energy to live life to the full.

*Holy Spirit  
Ignite in us your holy fire  
Strengthen us with the gift of faith  
Revive us with the breath of your love  
Empower us to live life to the full  
Amen*

What is the feast of Pentecost and why is it important? ^

**Pentecost** is the **festival** when Christians celebrate the gift of the Holy Spirit. It is celebrated on the Sunday 50 days after Easter (the name comes from the Greek pentekoste, "fiftieth"). It is also called Whitsun, but does not necessarily coincide with the Whitsun Bank Holiday in the UK. 23 Jun 2009

## COMPETITION

Key Stage 2 Picture Competition (Ages 3 – 6)

Would you like to see this on your walk to the park or station? Outside your home!

Would you let your children play around or amongst this type of rubbish

### IMPORTANT PLEASE READ

Most people know the bad effect dropping rubbish or fly-tipping (dumping large items) can have on the environment, but a few people keep doing it and ruining it for everyone. Your Councillors want to put up a big, permanent sign at Hither Green station to ask people to stop doing it and we need your help to design the sign. Any children in years 3-6 can enter the competition, and the Mayor of Lewisham will judge the entries. Remember your picture can include words too and needs to stop people from thinking it is OK to dump rubbish or fly-tip.

Eligible: any local children in KS2 (individuals or pairs)

Deadline: Friday 21st June 2019

Judge: Mayor of Lewisham

Prize: The winning picture will be made into a permanent sign at Hither Green Station

Entering: entries must be made on an A4 or A3 sheet and the child/ children's names and year group and school must be written on the back (NOT the front)

Eventually the school Rugby shirt and sweatshirt will no longer be available to purchase. The hoodie will be the only jumper available.

**NEW**

# CONSEQUENCES

**"FIT OR NOT FIT – BRING YOUR PE KIT"**

Students are required to bring PE kit to **EVERY** PE lesson and wear it, regardless of injury or illness.

Students can take part in the lesson in other ways but must be wearing PE Kit.

If there is a medical reason why you cannot participate, you must have a **note** written from **parent/carer/guardian** and **your full PE kit**.

\*\*\*Only exception to this policy is with a doctor's note (I.e, broken leg, heart condition), which must be agreed with PE teacher prior to lesson with parent/carer/guardian

Failure to bring your PE kit, part of your PE kit, or incorrect PE kit, will result in a **30 minute detention at the end of the school day in Trinity Hall**.

Reoccurring incidences of no kit or incorrect kit will result in being **parked to do theory in other classrooms** and/or **Trinity Centre** and **Parent calls/meetings**.

**SO.....** If you do not have the full Trinity PE kit you have **SIX WEEKS** to ensure this happens. Letters/emails have been sent out to parents to confirm this. It is a school UNIFORM REQUIREMENT.

The school PE kit can be bought online or via the school shop Wearabouts located on Sydenham High Street.

## SECONDARY NEWS

### COMPULSORY MEETING FOR PARENTS

#### BARCELONA TRIP

FULLY BOOKED

#### PARENT MEETING

All parents who have booked a place for their child on the Barcelona trip will need to attend a meeting which will take place on Wednesday 19<sup>th</sup> June 201. The meeting will commence at 5.30pm and end at 6.30pm. It will take place at Trinity Secondary in Taunton Road in the hall.

The purpose of the meeting is to provide vital information, hand over passports deadline, medicines and EHC cards. Also to finalise the rooming and swimming arrangements.

The evening will provide an opportunity to meet the staff attending the trip, gain an understanding of the activities on offer and clarify any concerns that you may have.

Attendance is compulsory for the pupils attending the Barcelona trip, together with at least one member of their family.

## CHARACTER DEVELOPMENT WEEK

8<sup>TH</sup> TO 12<sup>TH</sup> JULY 2019

Trinity Character Development week aims to provide a variety of opportunities for you to take part in experiences beyond the classroom and help you learn how to live life in all its fullness.

Some of the activities planned are :

#### Activity Name: Water and the World

##### *Danson Park Watersports Centre*

Learn to, or improve, your kayaking, sailing and bell boat racing skills. From 10.00 to 3.00pm, travelling by bus, you will spend the day doing a range of activities and having fun on the water led by the team of experts. Available for one or two days; those opting for two days the second day will be tailored for you so you can choose different sports or practice what you have already learnt. On the Monday and Tuesday people will be involved in the wider community project where we will be writing a campaign on tackling climate change. 40 places available each day. £25 a day.

##### *Wider Community Project.*

##### Combating Climate change

Pupils will undertake research on climate change and write a campaign to promote more environmentally friendly policies in school and at a wider level. This will involve a trip the park to study the impact of air pollution on flora and fauna before researching problems at a national level. Pupils will work in groups to draw posters, write letters, design environmental policies and presentations.

# ACTIVITIES TO CHOOSE

## Activity Name: London Cultural Tour

Take in the sights and sounds of some of the most interesting and quirky parts of London, our wonderful capital city. Visit iconic places such as Camden Town and Regent's Canal, visit Shoreditch and go on a Graffiti tour, see 10 Downing Street and watch the Changing of the Guards. London has so much to offer – let's get out there and see it!

## Activity Name: Add it Up

Learn how Maths works in the world around us. Find out about the world of Aviation by considering the science behind it. Design a sustainable aircraft and get the opportunity to use a flight simulator.

Learn about the contribution women have had in maths and science through the film Hidden figures and look at Maths in Art. Consider the world of work and finance through a trip to the Bank of England museum and take part in the Secondary Challenge Competition. End your week with an orienteering and outdoor cooking challenge. Learn how to navigate in open ground using map and compass and then cook up a delicious meal from scratch in the great outdoors.

## Activity Name: Stories of Wonder

Learn how words create a world of wonder through workshops at the British Library. Take a stroll through London on a walking tour and immerse yourself in the wonderful world of Manga at the British Museum.

## Activity Name: The Great Outdoors

Spend the week enjoying the great outdoors with a variety of challenges. Start with Orienteering in Peckham Rye park - A fun day of map skills.

### Watersports (£27)

Take part in two activities- canoeing/kayaking and high ropes. Challenge yourself to get out of your comfort zone and have fun in the process.

### It's a Knockout (£31)

Compete with other Trinity Teams to be crowned the Trinity Champions and win the Trophy! Games on the day include the Terminator, Wall of Doom, Beat the Cube and the Teletubbie Challenge.

1. Terminator and Wall of Doom

2. Beat the Cube

3. Teletubbie Challenge

### The Big Selfie Challenge (£8)

Working in teams with one member of staff, pupils will be travelling around London to get selfies with as many historic landmarks from a list given. Good Luck!

**Activity Name: Music Melody**

Learn to play the Steel pans and explore Caribbean carnival music for the week, culminating in a performance of the pieces learnt on the Thursday afternoon.

A few pupils who have experience playing band instruments would also be helpful to include a rhythm section for the group.  
**15 -20 places**

**Drama**

*Circus Skills and Combat Workshop (£10)*

Enjoy a variety of Drama workshops which include a workshop on Circus Skills, a workshop on Combat Skills and maybe even a trip out.

**Activity Name: Kingswood**

We will be staying at Grosvenor Hall in Kennington, Ashford. Grosvenor Hall provides an opportunity to build relationships and develop social skills. Pupils will be able to experience a huge range of activities such as orienteering, outdoor team building games, sports and country walks within a friendly and secure environment.

**SOLD OUT**

**Activity Name: Barcelona**

**Trinity Trip to Barcelona – Spain - July 2019**

Students will have the opportunity to immerse themselves in the Culture, Art, Language, Food and Sport of this city. On the trip we will be visiting the best of Gaudi's work, Park Güell, Casa Batlo and La Pedrera and also the Picasso and Miro foundation. Then, we will visit Las Ramblas and the market, where students will be able to taste the best of Spanish food. We will visit the Cathedral, Gothic Quarter and the well-known Camp Nou, home of the Barcelona football team, finishing the trip with a fantastic well deserved splash in the PortAventura water park.

**SOLD OUT**

**Trinity Character Development Week 2019**

Read through the activities. Decide which one you would like to take part in for Trinity Character Development Week. Place your preference in order 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup>.

We will do our best to ensure everyone gets to take part in the activity of their choice.

# COMBINED HEAT AND POWER PLANT TRIP

On June 12th the Year 10 Engineering students visited the South East London Combined Heat and Power plant to learn about recycling, waste management, electricity generation and power networks. The power plant, better known as SELCHP, is a major energy from waste incineration plant located in South Bermondsey, London. It was designed to generate both heat and electricity. SELCHP receives waste from households and some businesses. Waste is tipped into a bunker, where a crane grabs it and places it into the feed hopper. It then drops down a feed chute onto a sloped grate, where it is constantly turned to allow all combustion phases (such as drying, ignition and combustion itself) to happen simultaneously and a constant high temperature to be maintained. The heat turns water into steam to drive a turbine that can generate up to 35 MW of power using a steam turbine in electricity only mode. It can incinerate up to 420,000 tonnes per year of municipal solid waste and operates 24 hours a day. SELCHP produces enough electricity to power around 48,000 homes. A big well done to all the students who attended the trip and behaved very well.

# SPORTS NEWS

Year 7 and 8 athletes selected from their outstanding performances at the Lewisham Games Competition attended the London Schools Games this week representing The Borough of Lewisham. Yet again students showed outstanding resilience and determination with many winning their heats and progressing through to the finals in their discipline.

Secondary School Sports Day is coming up on Monday 1<sup>st</sup> July.

## PRIMARY UPCOMING NEWS & EVENTS

Dear Trinity Families,

During our final half term, we have decided to make every Friday a 'Fun Friday'.

Below is an outline of the events taking place and what to expect!

DATE	'FUN' THEMED DAY	WHAT DOES IT INVOLVE?
07.06.19	'Step into the Summer Fair '	We are asking all children to come to school in their own clothes and provide a donation to the summer fair. These donations could include: <ul style="list-style-type: none"> <li>• Bottle Tombola-An unopened bottle of ANYTHING (wine, shampoo, squash)</li> <li>• Packaged Sweets for game prizes</li> <li>• Party bag fillers</li> <li>• Empty or sweet filled jam jars for Kids Tombola</li> </ul>
14.06.19	Immersive History Day	Each year group will be allocated a period in time that they will be learning about during the day. Your child will need to come to school in an costume that represents that era. You will receive a letter with your allocated era next week.
21.06.19	Spanish Day	Your child will need to come to school wearing any colour that represents a Spanish speaking country. They will take part in lots of fun Spanish themed activities throughout the day.
28.06.19	Sports Day	This will take place at Manor House Gardens like last year. More information will follow on a separate letter in the next couple of weeks.
05.07.19	Trinity– stock Festival	This will be a new event this year. We will be hosting a school wide talent/music show that will result in the finalists performing at the Trinity-stock Festival. All children will be able to come to school dressed in 'festival' (party) clothes.
12.07.19	Diversity Day	Your child will need to come to school wearing an outfit that celebrates their heritage or a culture of your choice. They will take part in lots of fun activities throughout the day that celebrate a range of cultures.
