

This week...

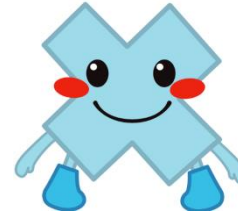

In maths, we looked at equivalent fractions and solved problems using our knowledge.

In English, we started looking at our new text, 'Kensuke's Kingdom', and wrote a persuasive letter!

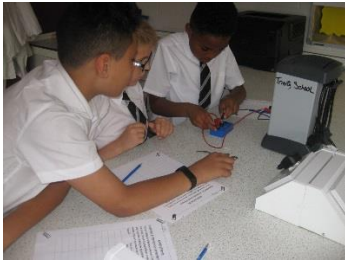

Next term...

In English, the children will be writing a newspaper article, using indirect and direct speech.

In Maths, we will be looking at different methods for multiplying numbers.

Trinity Science

We had a great time at Trinity Secondary School this morning. We learnt about conductors, insulators and how to make a circuit.

Home Learning

As our new topic is about the Caribbean, choose one of the islands to research and present your information in a colourful and interesting way!

You could find out about its capital city, size, traditional foods...

Star Writers!

This week, our star writers are:

Harun

Kenzie

Dates for your diary!

Summer fair – Sat 16th June
Kingswood - Mon 18th – 20th June

Word Aware!

We are learning a new word every week! Ask us about the word:
