

This week...

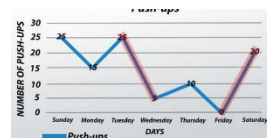

In maths, we looked at multiplication reasoning problems. We had to explain why an answer was correct or incorrect and then enjoyed some online shopping by working out totals and finding the best value for items!

In English, we wrote a newspaper report all about Hurricane Irma in the Caribbean. We used direct and indirect speech.

Next term...

In English, the children will be writing a persuasive piece of writing about a topic they are passionate about!

In Maths, we will be looking at data handling by collecting our own information and representing it in a variety of ways.

Cross-stitch!

We have continued to develop our own designs and the results are really impressive! It has been quite tricky, but we are persevering!

Home Learning

To build on the online work we did in maths, we would like you to use one of the supermarket websites to calculate the cost of a family and friends picnic for 10 people. Your budget is £50! What are the best deals? You are allowed luxuries, but try to make it healthy!

Star Writers!

This week, our star writers are:

Chedon

Mia

Dates for your diary!

Summer fair – Sat 16th June

Kingswood - Mon 18th – 20th June

Half day (12.45pm finish) – Fri 22nd June

Word Aware!

We are learning a new word every week! Ask us about the word:
